## Open Enrollment Overview

October 2023

In this Guide and the accompanying materials, you will find the information, forms and instructions that you need to enroll for BOLR Part-Time and Weekend Worker benefits coverage in 2024. Please review the enclosed materials carefully, and consider your family's needs before enrolling in coverage.

Open Enrollment is your annual opportunity to review your coverage and make changes to the benefits you elect or the dependents you cover. Outside of Open Enrollment, you are only permitted to make changes if they are the result of a qualified life change (a "qualifying event") as described below. Please review the enclosed materials and consider your and your family's needs before making enrollment decisions. If you want to make changes to your dependent status, return your completed BOLR Part-Time and Weekend Worker Enrollment form to the Fund Office no later than December 1, 2023.

**If you wish to keep the same benefit options and coverage you have now, you don't need to do anything. For those who currently have dependent children on the Plan, please complete the Dependent Enrollment Form authorizing the dependent premium deduction for 2024.**

### Questions?

Should you have any questions, please do not hesitate to contact the Benefit Funds Office. You can contact us at (215) 568-3262, Extension 1400 or (800) 338-9025, Extension 1400 (outside the local calling area). You can also come to the SEIU Local 32 BJ, District 36 Fund Office located at 1515 Market Street, Suite 1020, Philadelphia, PA 19102 to speak to one of our representatives. Make sure to call us first before you come in.

### IMPORTANT: Status Change Reminder

**You may ONLY add or remove dependents or make any other changes to your benefits coverage outside of Open Enrollment if you experience a qualifying event.** A qualifying event means that you or your dependent experiences a life change that affects the administration of your benefits. Examples include getting married, giving birth, or getting divorced. In these cases, you may need to add or remove dependents from your Fund coverage.

For all qualifying events, you must provide documentation of the status change (such as a birth or marriage certificate). **The Fund Office MUST receive the documentation within 31 days of the qualifying event (90 days for the birth of your child).** Please review your Summary Plan Description or contact the Fund Office for more information on qualifying events.

**Note:** If you have a qualifying event and need to complete a new census/beneficiary form to reflect the status change, please contact the Fund Office.

*This document and the materials in your enrollment packet provide a summary description of your SEIU Local 32BJ, District 36 BOLR Welfare Fund benefits and the changes that will be effective January 1, 2024. These materials supplement other descriptions of your Plan benefits. The changes described in these documents and the enclosed materials are effective as of January 1, 2024. The Fund hopes to continue the Plan and the benefits mentioned in these documents and described in your benefits booklet indefinitely, but reserves the right to amend, suspend or terminate the Plan, in whole or in part, at any time and for any reason. Neither receipt of this enrollment packet nor enrollment in any of the benefits offered under the Plan constitutes a contract of employment. Please read these documents carefully and keep this important information with your other benefit materials for future reference.*

## Basic Facts

### Who's Eligible?

You are eligible for the BOLR Part-Time and Weekend Worker Plan if you work in covered employment, and your employer is required through a collective bargaining agreement to make contributions on your behalf to the Fund.

If you are eligible to participate in the BOLR Part-Time and Weekend Worker Plan, you may also enroll your eligible dependents for medical, dental, and vision benefits. Your eligible dependents include:

- Your legal spouse (including same sex spouse)
- Children from birth to age 26
- Stepchildren up to age 26
- Adopted children (from the date of placement in your home) up to age 26
- Children placed for adoption
- Children over age 26 incapable of sustaining employment by reason of mental impairment or physical handicap

Any child for whom you gratuitously assume support will not be considered a dependent.

### Enrolling Dependents

You must complete and submit the following information to enroll your dependents into the Plan:

- **Dependent Enrollment Form** (remember to complete both sides)
- **Document Dependent Status**—examples of documentation include:
  - Valid state birth certificate naming both parents for natural or stepchildren under age 26
  - Proof of adoption for a legally adopted child under age 26
  - If required to add your children under age 26 as a result of a Qualified Medical Child Support Order, please provide a copy of the Order
  - Proof of Social Security number
  - If you have a child who must remain on your coverage beyond age 26 by reason of physical or mental impairment as a result of which they are unable to support themselves, the Fund Office requires documentation of their disability on a periodic basis. This information must be provided to the Fund Office no later than 31 days from the date of the child's 26th birthday.

If you choose to remove a dependent from the Plan, you must complete the Opt-Out form and submit proof of other coverage for that dependent to the Fund Office.

Any change you make to your dependent status must be completed and returned to the Fund Office in the enclosed self-addressed stamped envelope by December 1, 2023. If you do not add or drop a dependent during open enrollment, you must wait to do so until you or your dependent experiences a qualifying event.

### Qualified Medical Child Support Order (QMCSO)

If you are required to provide child support and healthcare coverage under a Qualified Medical Child Support Order (QMCSO), contact the Fund Office for an explanation of the information required. A QMCSO is any judgment, decree, or order issued by the court requiring you to provide healthcare coverage for a child. For additional information regarding the procedures for administration of QMCSOs, contact the Fund Office.

**Questions? Call the Fund Office at 215-568-3262 ext. 1400 or at 800-338-9025 ext. 1400.**

## Dental Benefits

Regular, professional dental care is not only essential to good health, but it also can prevent serious or costly problems. That's why our Dental Plan, provided through Delta Dental, covers a full range of dental services, including diagnostic and preventive care.

### Chart of Dental Benefits

Deductible	In Network	Out of Network
<b>Annual Maximum Benefit<sup>1</sup></b>	\$2,000 per person, per year	\$2,000 per person, per year

<sup>1</sup> Annual maximum for dental is a combined maximum for both in- and out-of-network care. Under the Affordable Care Act (ACA) guidelines, pediatric dental care is not subject to the annual maximums.

### Predetermine Benefits for Treatment Over \$300

If your treatment is expected to cost \$300 or more, ask your dentist to “predetermine benefits” with Delta Dental before treatment starts (this means evaluating whether the suggested treatment is appropriate and determining how much the Plan will pay for the care). With predetermination, you know exactly how much the Plan will pay—and how much you will pay. That way, you can make financial arrangements before the treatment begins.

To predetermine benefits, your dentist needs to send a claim form to Delta Dental describing the proposed treatment and the estimated charges. Delta Dental will send you a statement showing the services that will be covered and how much the Plan will pay. You can review the treatment plan with your dentist and agree on the services to be performed. After treatment is completed, return the original statement, with dates of services and necessary signatures, to Delta Dental for payment.

**Please review your Summary Plan Description for a complete list of dental limitations and exclusions.**

## Vision Benefits

### How the Plan Works

You have the option to receive eye care from a National Vision Administrator (NVA) participating provider or any other eye care specialist. However, you receive maximum benefits when you use a participating eye doctor or optometrist.

- **When you use a participating provider**, you receive maximum benefits because the Plan pays the full cost or a large portion of the cost for most routine services.
- **When you use a non-participating provider**, the Plan will reimburse you for exams, eyeglass frames, and lenses or contact lenses. You pay the full cost when you receive services. Then, you must file a claim to be reimbursed for the Plan's share of the cost.

### What the Plan Pays

**When you receive services from an NVA-participating provider**, the Plan pays for the cost of an eye exam once every 24 months. For children under 19, the plan pays for an eye exam once every 12 months.

The Plan also pays for one new pair of lenses and frames, or contact lenses, up to \$120 every 24 months (or every 12 months for children under 19).

**When you receive services from a non-participating vision provider**, the Plan will pay up to \$30 for an eye exam once every 24 months (or every 12 months for children under 19).

The Plan also pays up to \$60 for lenses and up to \$60 for frames, or up to \$120 for contact lenses, once every 24 months for children and adults.

### Expenses Not Covered

The Vision Plan does not cover:

- Fundus photography;
- Medical or surgical treatment of the eyes;
- Services or materials provided as a result of Worker's Compensation Law or obtained by any governmental agency or program; or,
- Plain or prescription sunglasses.

*Under the Vision Plan, you may use your ID card to get eye care services or eyewear. However, you cannot use your card combined with any special offers, such as coupons or special promotions.*

## Life Insurance and Accidental Death & Dismemberment (AD&D) Insurance

Today, life insurance is more than a “peace of mind benefit”—it is one of life’s necessities.

Life insurance is designed to offer protection to your family, or anyone who counts on your income, if you die. Accidental Death and Dismemberment (AD&D) insurance pays a benefit to you if you suffer an accidental loss of a limb or your eyesight, and pays a benefit to your beneficiary(ies) if you die as the result of a covered accident.

*Dependents are not eligible for life and AD&D insurance coverage.*

*This life insurance benefit is generally only payable if you die while in active covered employment.*

*Any AD&D benefit payable as a result of your accidental death is equal to the amount of your life insurance and is paid in addition to your life insurance benefit.*

*The amount of AD&D benefit depends on the type of accidental loss. See your Summary Plan Description, or call the Fund Office for details.*

*Exclusions and certain limitations may apply. See your Summary Plan Description for a complete list of exclusions and limitations.*

Employee Only Benefit	
Death, Natural	\$25,000
Death, Accident	\$25,000 (in addition to above)
Dismemberment Benefits	Specific amount determined by loss

### Don't Forget—Your Beneficiary

To make sure any benefits are paid to the person you want, you must name your beneficiary—and keep your beneficiary designations up to date as your life changes. If you are newly eligible, or have changes in your dependent status, complete a Demographic Census/Beneficiary Information form. Contact the Fund Office if you need a new form. Return the form to the Fund Office.

## Disability Benefits

Disability benefits provide you and your family with a supplemental weekly payment if you become disabled and cannot work due to a non-work-related illness or injury.

The specific time allowance for disability is determined by the diagnosis and established disability guidelines. However, no disability can exceed the maximum benefit of 26 weeks due to illness. For disability benefits to be considered, you must complete a disability claim form, and you must provide documentation from a legally qualified doctor certifying that you are disabled and unable to perform your normal work duties.

Part-time and weekend employees are eligible for a benefit of \$30 per week (or per weekend) for illness or injury while you are disabled and remain under the direct, regular care of a legally qualified doctor.

The form for your disability claim must be filed in a timely manner. See the form for more information about timing and deadlines. Contact the Fund Office to get a form.

Your disability claim begins on the seventh working day after you visit your doctor as a result of your disability. Disability benefits will not be paid for any period in which you missed work before you visited your doctor.

*For more information about disability benefits, see your Summary Plan Description or call the Fund Office at (215) 568-3262 or (800) 338-9025 outside the local calling area.*

---

***“Legally qualified physician” includes Medical Doctors (MD), Doctors of Osteopathy (DO), Doctors of Dental Surgery (DDS), Doctors of Dental Medicine (DMD), or Doctors of Podiatric Medicine (DPM).***

---

***Any claim for disability must be filed with the Fund Office within 60 days from the initial date of your disability. Be sure that all sections are completed and signed by you, your employer and your attending physician before submitting to the Fund Office.***

---

***If you are out of work on a continuing disability that exceeds a month, it will be necessary for you to complete continuation forms “blue forms” on a regular basis, typically monthly.***

## Important Notices

SEIU Local 32 BJ, District 36 BOLR Welfare Fund (“the Fund”) is required to provide the following important notices to you. Please review them carefully so you understand your rights and responsibilities.

### HIPAA Special Enrollment Rights

If you are declining enrollment in the health insurance plan for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 31 days after your other coverage ends and provide supporting documentation. In addition, if you have a new dependent as a result of marriage, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in the health insurance plan, provided that you request enrollment within 31 days after the marriage, adoption, or placement for adoption. If you have a new dependent as a result of birth, you may be able to enroll yourself and your dependents in the health insurance plan, provided that you request enrollment within 90 days after the birth.

The Fund will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children’s Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- Become eligible for a state’s premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you will have 60 days from the date of the Medicaid/CHIP eligibility change to request enrollment in Fund coverage. Note that this 60-day extension applies **only** to enrollment opportunities due to Medicaid/CHIP eligibility changes.

Enrollment materials must be completed and all proof of dependent status provided to the Plan within 31, 60 or 90 days of the request for Special Enrollment. If you are unable to complete the enrollment materials and provide proof of dependent status within the time frame (for example, if additional time is needed to obtain a birth certificate for a newborn), the deadline may be extended.

### COBRA

Under the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), you and your eligible dependents may continue medical coverage for up to 18 months if coverage ends because:

- You terminate employment for any reason (other than gross misconduct), or
- You have a reduction in work hours.

COBRA also allows for your eligible dependents to continue their medical coverage for up to 36 months if coverage would otherwise end because:

- You die,
- You and your spouse divorce or legally separate,
- You become eligible for Medicare, or
- Your dependents are no longer eligible for coverage under the medical plan.

You and your dependents generally may elect to continue coverage anytime within the first 60 days after coverage ends or 60 days from the date the notice is received, whichever is later. Continued coverage takes effect on the first of the month following the date of the event that caused coverage to end, as long as you pay the necessary premium. You may only continue the coverage that was in effect one day prior to the event. However, you may make changes to your elections each year during the annual open enrollment period. If the medical plan changes, those changes will also apply to coverage under COBRA.

To receive coverage under COBRA, you and/or your eligible dependents are required to make a timely election and make monthly premium payments.

## Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours as applicable).

## Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act requires group health plans and their insurance companies and HMOs to provide certain benefits for mastectomy patients who elect breast reconstruction. In the case of a plan participant who is receiving benefits in connection with a mastectomy, coverage will be provided in a manner determined in consultation with the attending physician for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of mastectomy, including lymphedema

Breast reconstruction benefits are subject to deductibles and coinsurance limitations that are consistent with those established for other benefits under the plan.

## HIPAA Privacy Notice Reminder

The privacy rules under the Health Insurance Portability and Accountability Act (HIPAA) require the SEIU Local 32 BJ, District 36 BOLR Welfare Plan (the "Plan") to periodically send a reminder to participants about the availability of the Plan's Privacy Notice and how to obtain that notice. The Privacy Notice explains participants' rights and the Plan's legal duties with respect to protected health information (PHI) and how the Plan may use and disclose PHI. You may also obtain a copy of the Privacy Notice by contacting the Fund Office at 215-568-3262, Extension 1400 or 800-338-9025, Extension 1400 (outside the local calling area).

## Medicaid and the Children’s Health Insurance Program (CHIP)

### Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility.**
