

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Fund office at 215-568-3262. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or by calling 1-800-275-2583 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<u>In-Network:</u> \$0 <u>Out-of-Network:</u> \$500/Individual, \$1,500/Family	<u>In-Network:</u> See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. <u>Out-of-Network:</u> Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	<u>In-Network:</u> Not Applicable <u>Out-of-Network:</u> Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	<u>In-Network:</u> This <u>plan</u> does not have a <u>deductible</u> . <u>Out-of-Network:</u> This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	<u>In-Network Providers:</u> \$6,750/Individual, \$13,500/Family, <u>Prescription Drugs:</u> \$1,950/Individual, \$3,900/Family; <u>Out-of-Network Providers:</u> \$6,750/Individual, \$13,500/Family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain precertification, health care this <u>plan</u> doesn't cover, and dental/vision benefits under separately administered <u>Plans</u> . Additionally the <u>Out-of-Network deductible</u> does not count towards the <u>out-of-pocket limit</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u>?	Yes. See www.ibx.com or call 1-800-275-2583 for a list of participating <u>providers</u> . For a list of participating Behavioral Health /Substance Abuse Program <u>providers</u> , call MH Consultants, Inc. at 1-800-255-3081	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a referral before you see the specialist.
